SUMMARY

I am a passionate Frontend Developer with a strong interest in building modern, responsive, and user-friendly web applications. I enjoy turning ideas into clean and functional interfaces using HTML, CSS, and JavaScript.

Currently, I am gaining hands-on experience through an internship at Code Alpha, where I am improving my development skills and working on real-world frontend tasks. I am continuously learning modern web technologies and best practices to enhance my problem-solving and coding abilities.

I also have basic knowledge of SQL, which helps me understand how data is managed and retrieved from databases.

I am eager to grow as a professional developer and contribute to projects that create meaningful user experiences.

Technologies I work with:
HTML, CSS, JavaScript, Responsive Design, SQL (Basics)

KEY ACHIEVEMENTS

Frontend Development Intern

Built and improved frontend UI projects.

Developed responsive web pages.

Worked on mini projects during internship.

SQL Skills & Certification

Successfully completed *Introduction to SQL* course.

Learned SQL fundamentals including queries, joins, filtering, and data manipulation.

Gained hands-on experience in writing SQL queries.

SKILLS

- HTML
- CSS
- JavaScript
- Responsive Web Design
